1.In apex Click on the bull's-eye to open the assignment. The assignment will open in a new tab.
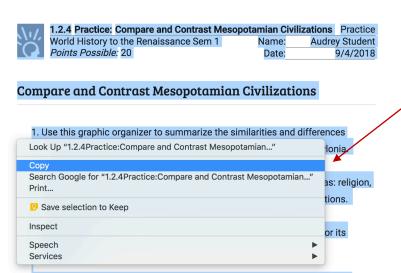

Compare and Contrast Mesopotamian Civilizations

Sumeria and Babylon were important and influential early Mesopotamian civilizations. But can you tell them apart? Can you identify what they had in common?
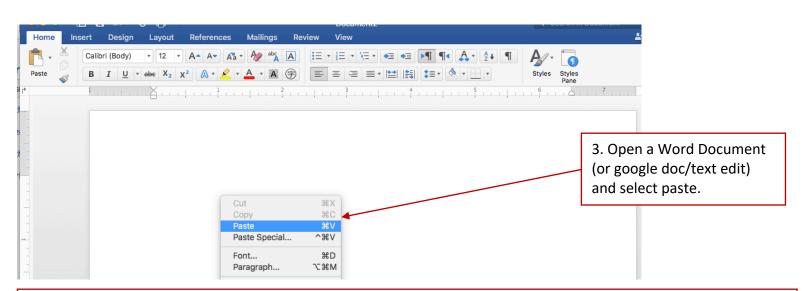

In this exercise you will fill out a graphic organizer laying out the major similarities and differences between the two civilizations. Then you will write two paragraphs comparing and contrasting Sumeria and Babylon.

Practice

2. Make sure to highlight all of the assignment (everything should turn blue). Right click and select Copy.
